*"Where Academic Excellence and Spiritual Vitality have become Tradition!"*

Blessed Trinity School  
Red and White Night

Dear Prospective Donor,

**Red and White Night 2010**  
**"A Night in the Orient"**

Blessed Trinity School is pleased to announce its 18<sup>th</sup> Annual Red & White Night, Live and Silent Auction Fundraiser on **Saturday March 13, 2010**. We would like to invite you and your organization to become part of a select group of sponsors.

Blessed Trinity has served the Ocala community since 1927 with a long tradition of both academic excellence and spiritual vitality. We base our teaching and curriculum on those skills that students will need to be successful in high school, college, and beyond. In an effort to raise responsible and civically active young men and women, we also place a special emphasis on morality and character development. Each grade level participates in an Outreach Project that serves the needs of our community. Through these projects, students understand the importance of using their gifts, time, and talents in altruistic ways.

More than 30 percent of the families whose children attend Blessed Trinity School live at or below the poverty level. Last year's earnings made it possible for the school to continue its mission to provide the best possible learning environment through technological and other educational advances for *all* students at Blessed Trinity.

Please return the attached Corporate Sponsorship form as soon as possible, indicating your level of participation to take advantage of the great advertising opportunities available. It is because of organizations like yours that help to make events like ours a success. Blessed Trinity School is a not-for-profit organization and is exempt from taxation. Contributions are tax-deductible to the full extent of the law. Receipts will be distributed for all donations. We extend our thanks to you for your consideration and support.

Sincerely,

Wendy Fetzer Mazza  
Red and White Night Chairperson
